

# SGIM (米国総合内科学会) にて発表してきました

## 2018/4/11~14 DENVER (コロラド州)

Jr2 吉本 理沙

- ★Tuberculosis may exist everywhere, and it can harm the patient but also yourself.
- ★Pellagrins can appear with one D alone, can you diagnose it?

Jr2 碓氷 礼奈

- ★An overlooked case of ADD with lower limbs numbness.

Jr2 小野村 仁美

- ★Go search for Mg deficiency: 2 cases of refractory electrolyte disorders induced by chronic alcohol-use and prolonged PPI use.
